

Medicaid eligibility check for Foundational Community Supports

Washington | Medicaid

Reference the following instructions to check Medicaid eligibility for the Foundational Community Supports (FCS) program.

How to check Medicaid eligibility for FCS

Log in to ProviderOne at waproviderone.org. Select **Benefit Inquiry** on the left panel. Search for the individual using their ProviderOne ID or full name and date of birth. Under the **Demographic and Response Information** section, the eligibility should say *Active Coverage*.

Under the **Client Eligibility Spans** section, Benefit Service Package must fall under one of the three statuses to be eligible for FCS:

- **Alternative Benefit Plan (ABP):** Client receiving Medicaid under the provisions of the *Affordable Care Act*, effective January 1, 2014
- **Categorically Needy Program (CNP):** Categorically needy, blind, and disabled

Insurance Type Code	Recipient Aid Category (RAC)	Benefit Service Package	Eligibility Start Date	Eligibility End Date	ACES Coverage Group	ACES Case Number	Retro Eligibility	Delayed Certification
MC: Medicaid	1151	CNP/QMB	11/01/2014	12/31/2999	L22	022991260		

- **CNP/Qualified Medicare beneficiary (QMB):** Client dually eligible for Medicare and Medicaid

Recipient Aid Category (RAC) needs to be one of the eligible RACs listed in the table below.
